

M/A-COM Technology Solutions Signs Mouser Electronics as Authorized Global Distributor

Lowell, MA, July 15, 2011 - [M/A-COM Technology Solutions](#) (M/A-COM Tech), a leading supplier of high performance analog semiconductor solutions, recently named Mouser Electronics as an authorized global distributor.

[Mouser Electronics](#) is a top design engineering resource and global distributor for semiconductors and electronic components. Mouser Electronics, with their user-friendly "EZ Buy" online catalogue, enables customers to buy online for fast and efficient fulfillment of product orders for M/A-COM Tech's customers.

M/A-COM Technology Solutions and Mouser Electronics offer outstanding customer service and delivery of advanced RF and microwave components. Mouser Electronics' website is updated daily. It houses an interactive catalog complete with product availability, data sheets, application notes, and technical design information.

Jim Dempsey, Director of Distribution for M/A-COM Tech, commented, "Having Mouser Electronics as an authorized global distributor offers us the opportunity to address our customers' needs for time critical design cycles. We look forward to expanding our ability to more effectively service our customers with the latest technologies and products."

"We are very excited to work with M/A-COM Technology Solutions," states Russell Rasor, Mouser Vice President of Advanced Technology. "M/A-COM Tech is an industry leader with more than 60 years' experience in designing and manufacturing innovative RF product solutions. Mouser delivers more than 40 years of distribution expertise. "Together we will bring advanced RF technologies to engineers worldwide, helping them get their designs to market faster."

ABOUT M/A-COM TECHNOLOGY SOLUTIONS INC.

M/A-COM Technology Solutions (www.macomtech.com) is a leading supplier of high performance semiconductors, active and passive components, and subassemblies for use in radio frequency (RF), microwave, and millimeter-wave applications. Recognized for its broad portfolio of products, M/A-COM Tech serves diverse markets including CATV, wireless infrastructure, optical communications, aerospace and defense, automotive, industrial, medical, and mobile devices. M/A-COM Tech builds on more than 60 years of experience designing and manufacturing innovative product solutions for customers worldwide.

Headquartered in Lowell, Massachusetts, M/A-COM Tech is certified to the ISO9001 international quality standard and ISO14001 environmental management standard. M/A-COM Tech has design centers and sales offices throughout North America, Europe, Asia and Australia.
