## Join MACOM at Mobile World Congress 2019 to Learn More About our 5G Portfolio

Lowell, Massachusetts, February 6<sup>th</sup>, 2019– [MACOM Technology Solutions Inc.](#) (“MACOM”) will attend [Mobile World Congress](#) 2019, February 25<sup>th</sup>-28<sup>th</sup> at the Fira Gran Via in Barcelona, Spain.

To help carriers meet the explosive traffic demand for 5G Communications, MACOM is enabling the next generation of 5G Wireless Networking and Infrastructure Deployments with a broad portfolio spanning RF power amplifiers, RF Switches and LNA’s to a full suite of millimeterwave components, optical and photonic semiconductors. MACOM is helping carriers deliver not only their traffic growth requirements, but also helping them to solve their size, weight, power and cost challenges.

MACOM is providing the requisite wideband performance, multiband operation and spectral efficiency for the next generation of wireless deployments. MACOM offers highly efficient and broadband RF Power amplifiers, integrated Tx and Rx FEM modules and discrete products, plus optical and photonic components for backhaul and fronthaul, leveraging industry leading GaN-on-Silicon, AlGaAs, Indium Phosphide and Etched Facet Technologies.

Make an appointment to meet with MACOM experts in Barcelona’s premier venue, the Fira Gran Via, **Hall 8.1, Meeting Room #CC8.15** to learn more about:

- **The Trusted Name in High-Performance RF Components:** Showcasing MACOM’s high-performance portfolio serving diverse markets, including wireless infrastructure and networking, radar, and high speed optical
- **Enabling the Next Generation of Wireless Basestations:** Cutting-edge GaN-on-Si Integrated Doherty Power Amplifiers for M-MIMO and high-power Macro Basestations
- **Front-End Modules (FEMs):** Delivering performance, size and reliability for wireless networking leveraging proprietary switching technology and integration
- **Application Support:** MACOM’s unparalleled customer support leverages decades of experience to solve complex problems
- **Cross Reference Tools:** MACOM’s cross reference tools will assist in finding MACOM products that are a substitute or alternate replacement to other manufacturers

Members of MACOM's product management, engineering and applications teams will be available by appointment throughout the show. To make an appointment, please contact your local MACOM sales representative.

**Show Information:**

Location: Fira Gran Via, Barcelona

- Monday, February 25<sup>th</sup>: 9:00 AM – 7:00 PM
- Tuesday, February 26<sup>th</sup>: 9:00 AM – 7:00 PM
- Wednesday, February 27<sup>th</sup>: 9:00 AM – 7:00 PM
- Thursday, February 28<sup>th</sup>: 9:00 AM – 4:00 PM

**ABOUT MACOM:**

MACOM enables a better-connected and safer world by delivering breakthrough semiconductor technologies for optical, wireless and satellite networks that satisfy society's insatiable demand for information.

Today, MACOM powers the infrastructure that millions of lives and livelihoods depend on every minute to communicate, transact business, travel, stay informed and be entertained. Our technology increases the speed and coverage of the mobile Internet and enables fiber optic networks to carry previously unimaginable volumes of traffic to businesses, homes and datacenters.

Keeping us all safe, MACOM technology enables next-generation radars for air traffic control and weather forecasting, as well as mission success on the modern networked battlefield. MACOM is the partner of choice to the world's leading communications infrastructure, aerospace and defense companies, helping solve their most complex challenges in areas including network capacity, signal coverage, energy efficiency and field reliability, through its best-in-class team and broad portfolio of analog RF, microwave, millimeterwave and photonic semiconductor products.

MACOM is a pillar of the semiconductor industry, thriving for more than 60 years of daring to change the world for the better, through bold technological strokes that deliver true competitive advantage to customers and superior value to investors.

Headquartered in Lowell, Massachusetts, MACOM is certified to the ISO9001 international quality standard and ISO14001 environmental management standard. MACOM has design centers and sales offices throughout North America, Europe and Asia.

**SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS:**

This press release contains forward-looking statements based on MACOM's beliefs and assumptions and on information currently available to MACOM. These forward-looking statements reflect MACOM's current views about future events and are subject to risks, uncertainties, assumptions and changes in circumstances that may cause those events or our actual activities or results to differ materially from those expressed in any forward-looking statement. Although MACOM believes that the expectations reflected in the forward-looking statements are reasonable, it cannot and does not guarantee future events, results, actions, levels of activity, performance or achievements. Readers are cautioned not to place undue reliance on these forward-looking statements. A number of important factors could cause actual results to differ materially from those indicated by the forward-looking statements, including, but not limited to, those factors described in "Risk Factors" in MACOM's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the Securities and Exchange Commission. MACOM undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

**DISCLAIMER FOR NEW PRODUCTS:**

Any express or implied statements in MACOM product announcements are not meant as warranties or warrantable specifications of any kind. The only warranty MACOM may offer with respect to any product sale is one contained in a written purchase agreement between MACOM and the purchaser concerning such sale and signed by a duly authorized MACOM employee, or, to the extent MACOM's purchase order acknowledgment so indicates, the limited warranty contained in MACOM's standard Terms and Conditions for Quotation of Sale, a copy of which may be found at: <http://www.macom.com/partner-login>
