

Michael Dys Joins M/A-COM Technology Solutions as New Corporate Controller

Former Aeroflex/Micro-Metrics and Skyworks Executive Enhances M/A-COM Tech's Finance and Accounting Team

<Lowell, MA, May 25, 2011 - M/A-COM Technology Solutions (M/A-COM Tech), a leading supplier of high performance semiconductors and components for use in RF, microwave, and millimeter wave applications, announced today that Michael Dys joined the company as Corporate Controller, reporting to Conrad Gagnon, Chief Financial Officer. Mr. Dys will be responsible for all global accounting functions, budgeting and forecasting, as well as financial planning and analysis. He will also provide financial perspective to other business leaders toward optimizing M/A-COM Tech's operational efficiency. "Michael's extensive experience with substantial global players in our market space, his diverse business background, and his hands-on approach make him the ideal professional for this role," said the CFO. "His successful career to date in the microwave industry has demonstrated hands-on leadership, effective financial control and attention to the bottom line."

Mr. Dys most recently served as Controller at Aeroflex/Micro-Metrics. He previously served as Vice President and Corporate Controller at Skyworks Solutions. He holds a Bachelor of Science Degree in Accounting and a Master's Degree in Business Administration, both from the University of Massachusetts at Lowell. He is a Certified Public Accountant in Massachusetts. In speaking about this next phase of his career, Mr. Dys commented, "I am looking forward to rolling up my sleeves to continuously improve the company's accounting processes and to implement cost-effective business solutions."
