## MACOM to Showcase Smart Solutions Supporting 5G, Cloud Data Centers, Client Access and Metro/Long Haul Applications at ECOC 2018

Lowell, Massachusetts, September 13, 2018 – [MACOM Technology Solutions Inc.](#) (“MACOM”), will showcase its industry leading PAM-4, Silicon Photonics and 64 GBaud products and solutions at ECOC 2018, Booth #579 in Roma, Italy, September 23<sup>rd</sup> – 27<sup>th</sup>. MACOM’s optimized chips provide highly differentiated performance, power, size and cost solutions for next-generation Cloud Data Centers, 5G, Long Haul and Metro applications.

[Visit Booth #579](#) to meet with MACOM experts and learn more about:

- 10/25 Gbps-PON ONU/OLT
- Analog Chipset for 2 km 200 Gbps (4x53 Gbps PAM-4) QSFP Applications
- 5G Optical Connectivity Solutions
- 100/200/400 Gbps Data Center Solutions
- 64 GBaud Driver and TIA solutions for Long Haul, Metro and DCI

Members of MACOM’s product management, engineering and applications teams will be available to answer any inquiries or questions at the show.

### Show Information:

Exhibition Hall: Fiera di Roma, Roma, Italy

- Monday, September 24<sup>th</sup>: 9:30 AM – 5:00 PM
- Tuesday, September 25<sup>th</sup>: 9:30 AM – 5:00 PM
- Wednesday, September 26<sup>th</sup>: 9:30 AM – 4:00 PM

### ABOUT MACOM:

MACOM is a new breed of analog semiconductor company — one that delivers a unique combination of high growth, diversification and high profitability. We are enabling a better-connected and safer world by delivering breakthrough semiconductor technologies for optical, wireless and satellite networks that satisfy society’s insatiable demand for information.

Today, MACOM powers the infrastructure that millions of lives and livelihoods depend on every minute to communicate, transact business, travel, stay informed and be entertained. Our technology increases the speed and coverage of the mobile Internet and enables fiber optic networks to carry previously unimaginable volumes of traffic to businesses, homes and data centers.

Keeping us all safe, MACOM technology enables next-generation radars for air traffic control and weather forecasting, as well as mission success on the modern networked battlefield.

MACOM is the partner of choice to the world's leading communications infrastructure and aerospace and defense companies, helping solve their most complex challenges in areas including network capacity, signal coverage, energy efficiency, and field reliability, through its best-in-class team and broad portfolio of RF, microwave, millimeterwave and lightwave semiconductor products.

MACOM is a pillar of the semiconductor industry, thriving for more than 60 years of daring to change the world for the better through bold technological strokes that deliver true competitive advantage to customers and superior value to investors.

Headquartered in Lowell, Massachusetts, MACOM is certified to the ISO9001 international quality standard and ISO14001 environmental management standard. MACOM has design centers and sales offices throughout North America, Europe and Asia.

**SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS:**

This press release contains forward-looking statements based on MACOM's beliefs and assumptions and on information currently available to MACOM. These forward-looking statements reflect MACOM's current views about future events and are subject to risks, uncertainties, assumptions and changes in circumstances that may cause those events or our actual activities or results to differ materially from those expressed in any forward-looking statement. Although MACOM believes that the expectations reflected in the forward-looking statements are reasonable, it cannot and does not guarantee future events, results, actions, levels of activity, performance or achievements. Readers are cautioned not to place undue reliance on these forward-looking statements. A number of important factors could cause actual results to differ materially from those indicated by the forward-looking statements, including, but not limited to, those factors described in "Risk Factors" in MACOM's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the Securities and Exchange Commission. MACOM undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

**DISCLAIMER FOR NEW PRODUCTS:**

Any express or implied statements in MACOM product announcements are not meant as warranties or warrantable specifications of any kind. The only warranty MACOM may offer with respect to any product sale is one contained in a written purchase agreement between MACOM and the purchaser concerning such sale and signed by a duly authorized MACOM employee, or, to the extent MACOM's purchase order acknowledgment so indicates, the limited warranty contained in MACOM's standard Terms and Conditions for Quotation of Sale, a copy of which may be found at: <http://www.macom.com/partner-login>.
