
MACOM to Present at the Oppenheimer Technology, Internet & Communications Conference on August 7th

LOWELL, Mass., August 1, 2018 – MACOM Technology Solutions Holdings, Inc. (NASDAQ: MTSI) (“MACOM”), a leading supplier of high-performance RF, microwave, millimeterwave and photonic solutions, today announced that it will attend the Oppenheimer Technology, Internet & Communications Conference to be held at the Four Seasons Hotel in Boston, MA. Management is scheduled to host a fireside chat at 10:25 a.m. Eastern Time on Tuesday, August 7, 2018 and will be available to meet with investors throughout the day.

A live audio webcast of MACOM’s group presentation will be made available on the Investor Relations section of MACOM’s website at <http://ir.macom.com>.

About MACOM

MACOM enables a better-connected and safer world by delivering breakthrough semiconductor technologies for optical, wireless and satellite networks that satisfy society’s insatiable demand for information.

Today, MACOM powers the infrastructure that millions of lives and livelihoods depend on every minute to communicate, transact business, travel, stay informed and be entertained. Our technology increases the speed and coverage of the mobile Internet and enables fiber optic networks to carry previously unimaginable volumes of traffic to businesses, homes and datacenters.

Keeping us all safe, MACOM technology enables next-generation radars for air traffic control and weather forecasting, as well as mission success on the modern networked battlefield.

MACOM is the partner of choice to the world’s leading communications infrastructure, aerospace and defense companies, helping solve their most complex challenges in areas including network capacity, signal coverage, energy efficiency and field reliability, through its best-in-class team and broad portfolio of analog RF, microwave, millimeterwave and lightwave semiconductor products.

MACOM is a pillar of the semiconductor industry, thriving for more than 60 years of daring to change the world for the better, through bold technological strokes that deliver true competitive advantage to customers and superior value to investors.

Headquartered in Lowell, Massachusetts, MACOM is certified to the ISO9001 international quality standard and ISO14001 environmental management standard. MACOM has design centers and sales offices throughout North America, Europe, Asia and Australia.
