MACOM to Announce Second Quarter Fiscal Year 2017 Financial Results on April 25, 2017

LOWELL, Mass.--(BUSINESS WIRE)-- MACOM Technology Solutions Holdings, Inc. (NASDAQ: MTSI) ("MACOM"), a leading supplier of high-performance RF, microwave, millimeterwave and lightwave semiconductor products, today announced it will release second quarter fiscal year 2017 financial results on Tuesday, April 25, 2017 after the market close. Following the press release, John Croteau, President and Chief Executive Officer, and Bob McMullan, Senior Vice President and Chief Financial Officer, will host a live audio webcast and conference call at 5:00 p.m. Eastern Time.

Second Quarter Fiscal Year 2017 Conference Call and Webcast Information:

Date: **Tuesday, April 25, 2017**
Time: **5:00 p.m. Eastern Time**
Conference Call Number: **1-877-837-3908**
International Call Number: **+1-973-872-3000**
Pass Code: **2993987**

The conference call replay will be available for at least five business days, beginning two hours after the call. The replay dial-in number is 1-855-859-2056, and the pass code is 2993987. International callers should dial +1-404-537-3406 and enter the same pass code at the prompt. Additionally, the conference call will broadcast live over the Internet and can be accessed by all interested parties for approximately 90 days in the Investor Relations section of the Company's website at http://ir.macom.com/.

About MACOM
MACOM is a new breed of analog semiconductor company — one that delivers a unique combination of high growth, diversification and high profitability. We are enabling a better-connected and safer world by delivering breakthrough semiconductor technologies for optical, wireless and satellite networks that satisfy society's insatiable demand for information.

Today, MACOM powers the infrastructure that millions of lives and livelihoods depend on every minute to communicate, transact business, travel, stay informed and be entertained. Our technology increases the speed and coverage of the mobile Internet and enables fiber optic networks to carry previously unimaginable volumes of traffic to businesses, homes and data centers.

Keeping us all safe, MACOM technology enables next-generation radars for air traffic control and weather forecasting, as well as mission success on the modern networked battlefield.

MACOM is the partner of choice to the world's leading communications infrastructure and aerospace and defense companies, helping solve their most complex challenges in areas including network capacity, signal coverage, energy efficiency, and field reliability, through its best-in-class team and broad portfolio of RF, microwave, millimeterwave and lightwave semiconductor products.

MACOM is a pillar of the semiconductor industry, thriving for more than 60 years of daring to change the world for the better through bold technological strokes that deliver true competitive advantage to customers and superior value to investors.

Headquartered in Lowell, Massachusetts, MACOM is certified to the ISO9001 international quality standard and ISO14001 environmental management standard. MACOM has design centers and sales offices throughout North America, Europe, Asia and Australia.
